CARPARTS WAREHOUSE CLEVELAND GOLDCUP

The Car Parts Warehouse I-X Piston Powered Auto-Rama Special Cash Awards are presented to vehicles entered under the ISCA/Car Parts Warehouse Show Car Series or under the I-X Piston Powered Auto-Rama "Driven Series."

The Car Parts Warehouse Cleveland Gold Cup Award was established to recognize an outstanding entry being shown for the first time in the Cleveland metropolitan area, or Greater Cleveland as it is more commonly known. The five-county Cleveland (MSA) consists of Cuyahoga County, Geauga County, Lake County, Lorain County, and Medina County. The rules to qualify for this prestigious award are as follows. All qualified entries must be shown for the first time in the Cleveland MSA. All qualified entries must be current registered ISCA members. The Gold Cup Award will be decided by the ISCA judging staff. The Gold Cup Award carries with it a \$10,017.00 cash award.

Your vehicle is judged in five areas: body/paint, interior, engine, undercarriage, overall detail, cleanliness and safety. Each area is evaluated as to the difficulty, quality, and extent of each modification. To be competitive for the "Outstanding Interior" award, the finish of an interior should go as far as door jams and edges of upholstery and carpet. If the engine compartment is to be judged, the hood should be raised enough for the judges to see the entire area. Judges can only evaluate what they can see, so be sure to leave your vehicle open as you wish it to The I-X Piston Powered Auto-Rama "Driven Series" be judged, from the opening of the show until after awards.
